

NIIED Scholarships awarded to CLS Korean Language students

National Institute for International Education (NIIED), affiliated with the Ministry of Education, Science and Technology, is a [Korean](#) government organization with the aim to develop and foster human resources in the age of globalization, awards scholarships to international students to give them an opportunity to know more Korean culture and society through the programme. The scholarships will cover all expenses for the students in Korea.

Two students from the Centre for Language Studies, both reading LAK2201 Korean 2, were selected for the award based on merit and after an interview. The students are:

1. Lee Jia En
Faculty of Arts and Social Sciences
2. Prise Ho Pei Fang
Faculty of Arts and Social Sciences

The selected students will be participating in the programme from 11 May to 21 May 2009. During the programme, they will visit cultural and industrial sites, and Korean universities. They will also experience staying with a Korean family (home stay).
